Nomination Form Richard O. Arther Award

The Richard O. Arther Award is developed to pay homage to Dick Arther for his contributions to the polygraph profession. Nominees for this award are individuals who advance the polygraph profession through tireless dedication to standardize polygraph principles and practices or have made significant contributions to the Missouri Polygraph Association. Nominees must be a Missouri Polygraph Association member and in good standing.

Nominations must be made in writing to the President. The President and board members will review nominations and vote on the recipient. The award will be presented at the annual Tri-State Polygraph Seminar. Selection of this award requires a majority vote. If there are no nominations made for the year, an award will not be given.

Nominations must be made by September 1st. Send nominations to:

The Missouri Polygraph Association President

Date: _____

Nominated by: _____

Recommended Recipient: _____

Please describe below why you think that the member you are recommending is worthy of this award:
