Basic Polygraph Examiner Training

JUNE 23 - AUGUST 29, 2014 (10 WEEKS)

Missouri State Highway Patrol Academy

JEFFERSON CITY, MO

Criminal investigations • Pre-employment screening

Location of evidence • Internal affairs investigations • Verification of Statements

The National Polygraph Academy (NPA) was founded with the objective and mission to provide first class polygraph training to qualified, highly motivated persons in law enforcement, governmental organizations and the private sector. The Academy provides an intensive 400-hour training program focused on forensic detection of deception procedures and related disciplines. During the 10-week course students are afforded the opportunity to develop and refine the knowledge and skills necessary for successful administration of polygraph examinations. Students are exposed to a broad range of techniques designed to maximize the benefit of polygraph to their departments and/or clients. The Academy provides training consistent with the American Polygraph Association's Standards of Practice, validated techniques and U.S. government standards. The National Polygraph Academy is led by instructors with over 40 years combined polygraph educational experience.
